

BSE Star MF Net Banking Payment Process:

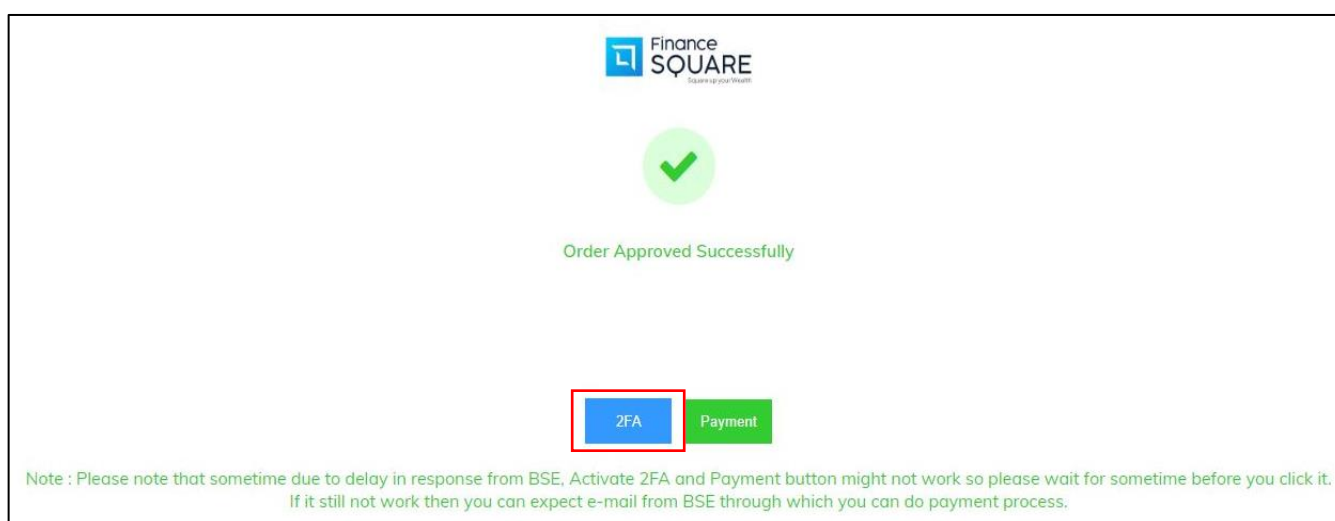

Step 1: A “Trade Order Confirmation” Email will be received from Finance Square.

Press **“Review Order”** to approve the trade order.

Enter your registered mobile number and click verify to approve trade order.

Please keep the window open (Image Below)

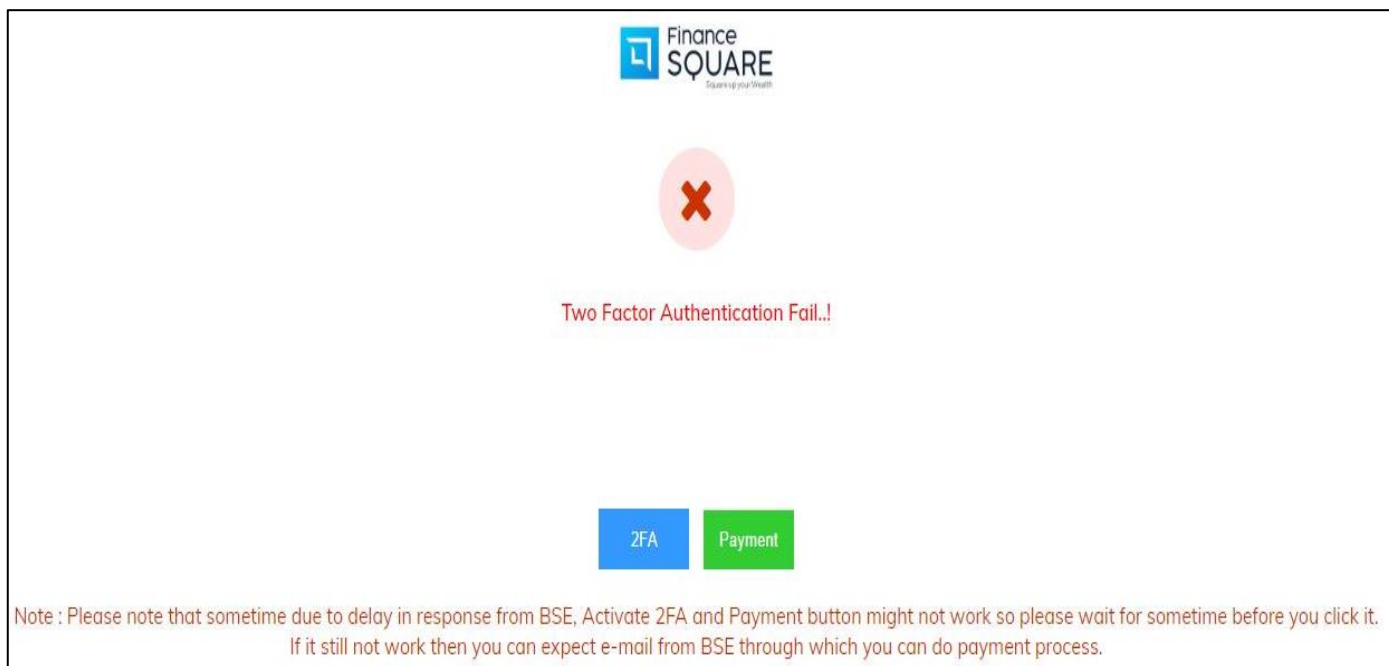

Once you approve it, again an Email will be received “Trade Order Approved” from Finance Square.

Step 2: To wait for “PURCHASE Authentication : BSE StAR MF” Email from BSE StAR MF:

Note: In case 3 minutes are past by and still you have not received any email from BSE StAR MF containing subject as “PURCHASE Authentication : BSE StAR MF”,

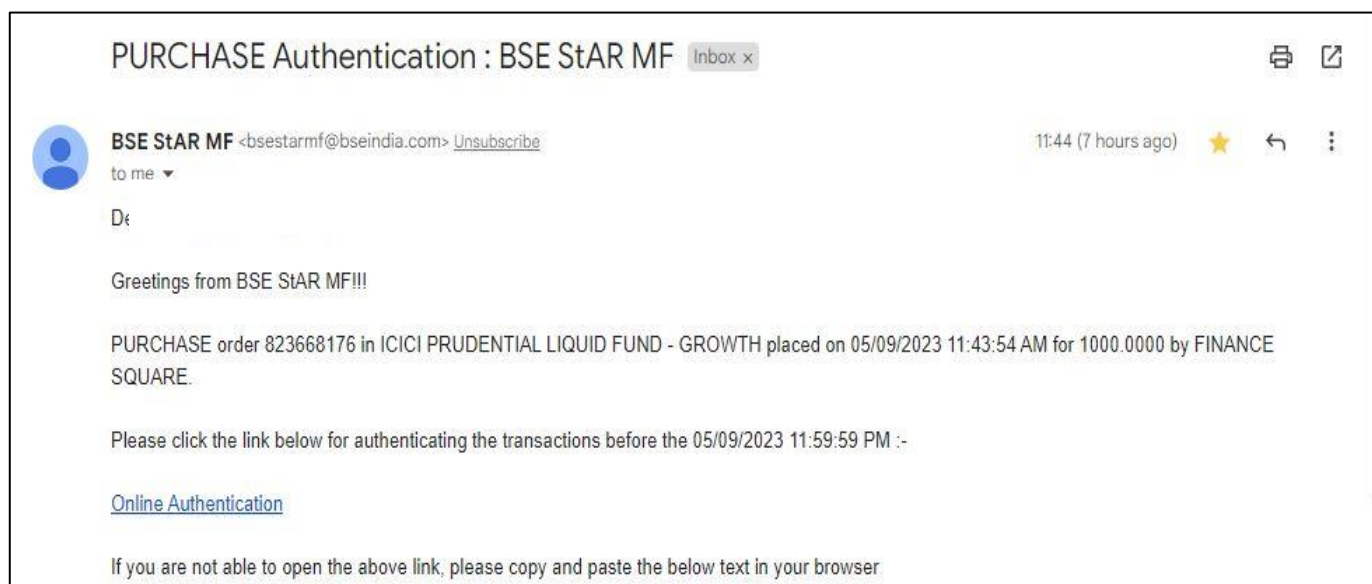

then click on “2FA Button” (Blue Colour – check above image) and now a new window will open for 2FA verification.).

Inspite of pressing on 2FA button if the window shows 2FA failure, (image below) then in this case, you have no option, but to wait for BSE Star MF Purchase Authentication Email.

In case you have received the Email, it contains the following subject “PURCHASE Authentication : BSE StAR MF”

(This is a 2FA System designed by BSE StAR MF to safeguard investors.)

Now Click on **“Online Authentication”** Link and a new window will open, select your mobile number from Drop-down option and tick-mark the Purchase/SIP order as the case may-be and then click on **“Generate OTP”** button.
